Re: Reference for Nicholas Lawson

Nicholas Lawson volunteered at Seeway Tanzania for several weeks in July/August 2011.

He assisted with landscaping and the building of a children's playground at our newly built nursery school. He also spent time with our children, playing football and other games, and helping them with their English conversation.

We found Nicholas to be a very willing hard worker, much loved by all our children. We would definitely welcome him at our children's centre again and highly recommend him.

Kind regards,
